

'WOMEN ONLY' WALL AND FLOOR TILING

The Australia-Pacific Technical College is a centre of training excellence set up to assist Pacific Island students gain Australian skills and qualifications in a variety of trade areas.

APTC is pleased to announce the introduction of a program in Wall and Floor Tiling for Women only.

Wall and Floor tiling is normally a male dominated trade. However, after the recent graduation of some women wall and floor tilers and the interest shown by women in this particular trade the APTC decided to offer this program for women only. Women have a very good eye for detail and with their natural abilities, can excel very well in this program.

This program is designed for New Industry Entrants. No prior experience necessary but a positive attitude and a passion for wall and floor tiling will go a long way.

Certificate III in Wall and Floor Tiling BCG31303

The Certificate III in Wall and Floor tiling develops the skills needed to work as a qualified and skilled wall and floor tiler.

Training is offered in the following locations:

FIJI

Some concessional and scholarship places are available.

Entry requirements:

This program is designed for New Industry Entrants. No prior experience necessary but a positive attitude and a passion for wall and floor tiling will go a long way.

Duration

This course will be a two year full time program with 10-12 week periods of college training followed by similar times for work place attachment. This is repeated over two years or until satisfactory completion of the program.

APTC will provide assistance with seeking suitable work place attachment.
