SUMMARY

Students

There are currently 109 students studying on campus this semester, participating in:

- Certificate III in Early Childhood Education and Care
- Certificate III in Hospitality
- Certificate III in Tourism
- Certificate IV in Training and Assessment
- Certificate IV in Youth Work

229 completing students are expected to attend the upcoming graduation in November.

In June 2014 Sam Andikar, CEO of Millennium Tours launched his first company, Millenium Tours Ltd. The company is managed by a Board of Directors with the Chair of the Board position held by Sam. Sam completed the Diploma of Management and will graduate in November 2014.

Student Activities

Students in the Certificate III in Tourism have been busy preparing their commentaries on tours organised for the arrival of twenty-six tourism students and three teachers from William Angliss Institute of TAFE in Melbourne. They have been working very hard planning the tours and activities that will showcase Vanuatu and the warmth of the Pacific Islanders to the Australians. This has been organised as part of their assessment for tour guiding and commentary units. The program has really showcased Vanuatu and the skill and expertise of the Vanuatu tour guides (our students) who provided amazing adventures and professional tour guiding services.

Mums and Bubs group – Mumi witem pikinini: Fourteen students divided into two groups (koala and kangaroo) will be undertaking an activity/assessment with babies and toddlers in allocated sessions at Vila North to address the unit CHCECE005: Providing care for babies and toddlers.

Education and Training Delivery

The first ever national trainers join the Vanuatu team. From tutor to trainer, Vanuatu now hosts three national trainers, one each in Tourism, Hospitality, and Early Childhood Education and Care. Each national trainer has been through an in-depth training program to progress from tutor to trainer and each brings with them years of industry experience.

Three new training assistants, one each in Tourism, Hospitality and Early Childhood education and care join our team of national trainers. Each is an APTC graduate and brings years of experience in their respective fields. Each will undergo a professional development program and complete their Certificate IV in Training and Assessment while developing knowledge and skills in the Australian vocational training sector.

Stakeholder Engagement: DFAT, Industry and Community

The Country Manager for Samoa has accepted a seat on the Vanuatu Tourism Awards for Excellence Steering Committee.

The Holiday Inn Vanuatu has initiated discussion about APTC work placement students joining their IHG internship program. This enables work placement students to get complete induction and other training that will stand them in good stead for employment either with Holiday Inn or with other high end employers.
